(Check Applicable Box)

- The vehicle described above is a "Street Rod" which is a modified motor vehicle manufactured prior to 1949. The vehicle meets state equipment and safety requirements that were in effect in this state as a condition of sale in the year listed as the model year on the certificate of title. The vehicle will only be used for exhibition and not for general transportation.
- The vehicle described above is a "Custom Vehicle" which is a modified motor vehicle manufactured after 1948 and is 25 years old or older and has been altered from the manufacturer's original design or has a body constructed from non-original materials. The vehicle meets state equipment and safety requirements that were in effect in this state as a condition of sale in the year listed as the model year on the certificate of title. The vehicle will only be used for exhibition and not for general transportation.
- The vehicle described above is a "Horseless Carriage" which is an automobile, truck or motorcycle weighing 5,000 pounds or less, for private use, manufactured in 1945 or earlier. The license plate is permanent and valid for use without renewal as long as the vehicle is owned by the same owner/registrant.
- The vehicle described above is a Firefighting apparatus, other historical motor vehicle or former military vehicle 30 years old or older, used only in exhibitions, parades or public displays. I am requesting the following type of license plate:
- Horseless Carriage
 - Antique (Permanent)

I certify the above information is true and correct. _____
