## **Alternative Proof of 2290 Program—For Big Trucks/Semi Trucks Only**

The Marion County Tax Collector has made special arrangements with the IRS to make it easier for you to register your truck. At your option, we will forward your completed Form 2290, Schedule 1, and remittance to the IRS on your behalf. You will not need to wait for a receipted Schedule 1 from the IRS, we will renew your truck tag that same day! Your participation in this service is entirely voluntary.

If you choose to use this service, you must remit the completed original Form 2290, 2 copies of the Schedule 1, payment in full of the amount due made payable to United States Treasury (payment methods are personal check, money order, bank or cashier's check only).

Payment for your truck tag is separate and should be made payable to Marion County Tax Collector in the form of cash, personal check, money order, bank or cashier's check, or credit card. Please remember that the 2.5% convenience fee charged by the credit card processing company still applies. You are still required to provide proof of insurance in the form of a Certificate of Insurance and a lease agreement, if necessary.

We will review your return for completion of certain entries and mail your return and payment to the IRS on the business day following receipt of your return. Please note that the IRS does not consider your return filed for federal tax purposes until the IRS receives it. If the IRS receives the Form 2290 after the due date, the postmark date on the envelope will be the date the return is deemed filed. The IRS is not responsible for any delays or mishandling of your return or remittance before the IRS receives it. You are liable for any tax, penalties and interest that may be due. If the IRS determines you owe additional amounts, they will bill you directly after they receive your return.

Use of this voluntary program does not change the due date of your return and payment. This program will not work if you are registering vehicles in more than one state. Our office is voluntarily providing this service to registrants. We are not reimbursed for this service. We are not an agent or contractor of the IRS.

If you have any questions about your Federal Heavy Use Taxes, please contact the IRS at 1-866-699-4096 or visit your local IRS office.

If you have any questions about this program, please contact our Call Center at 352-368-8200.
