## Interfaith Emergency Services

As many of you have seen in the news lately, the need for donations is on the rise. There has been a 44% increase in the number of families needing food. That means that there are approximately 1300 families a month that need assistance (the average household now has 6 members). Interfaith Emergency Services not only provides food and supplies to people who come in to their warehouse, but they also run the Food 4 Kids backpack program for the Marion County schools. Please remember Interfaith Emergency Services' desperate need for donations as you are clipping coupons and taking advantage of those buy one, get one free deals!

All Marion County Tax Collector offices are a drop off point for any monetary or food donations that you may have.

We would also like to take the time to thank everyone that helped us in our "Food War". The response was overwhelming and we truly appreciate everything that was donated—most of all it is wonderful that the people of Marion County can come together to help their neighbors out in a time of need!

### Tax Collector's Office Does it Again!

The Marion County Tax Collector's office, under the leadership of George Albright, recently collected a truck-load of food and other important items for Interfaith! Each Department competed to collect the most in a friendly endeavor known as "Food Wars."

During the drive, they had food stored in every nook and crevice in their offices!

This food was greatly appreciated and was promptly distributed to Marion County families.

A special thanks to Louann DeSantis for organizing this wonderful effort!

George Albright and some of his staff.

Ready to unload the stuffed Interfaith truck!

## EFS Updates

We just wanted to say thank you to all our EFS dealers for the outstanding job you are doing!

Everyone is doing an excellent job of getting their deals out of suspension and turning in the requested paperwork. Thank you for double-checking your work, our voids have been cut down quite a bit. Please make sure you continue to double-check your work.

The only problem that we are consistently seeing are the customer creates. The customer **must** be created exactly the way it reads on their out-of-state drivers license or on the Sunbiz printout. If you are unsure of how to create the customer, please fax it to us so that we can create them for you! Our fax number is 352-368-8281. This will help us tremendously!

Just a friendly reminder—inventory time is here! We will be conducting our annual inventory in the coming weeks. We will call you to make arrangements for this years inventory. Please make sure you double-check your tags, make sure you have everything on hand that needs to be accounted for. If there is any missing inventory that can not be accounted, there will be a charge of \$28 per plate.

As always, if you have any questions, please feel free to call us at 352-368-8272. We would be glad to help with any questions.
